The following information is taken from Yakima Police reports for incident # 16Y038706. On September 1, 2016, the owner of Westside Pizza in Yakima, Washington, contacted the Yakima Police Department (YPD) to report a theft, from his business, of approximately \$75,000 between April 11, 2015, and August 29, 2016. The owner stated his business has been struggling financially despite good reviews, and a strong customer base. Since the business was struggling, the owner followed up the with point of sale company to conduct an audit. The point of sale system is used for all financial transactions at the business.

The owner explained, when Mr. Rincker would ring up a cash customer, he would take the full amount as normal. Later in the day, Mr. Rincker would re-open the account and change the original total to a lesser amount, such as only showing a soda or sauce cup was

purchased, rather than the full purchase. One example was on April 11, 2015, Mr. Rincker changed the original value of \$75.66 to a new value of \$9.71. Resulting in over \$65 being taken from the business. The owner said Mr. Rincker would take between \$300 and \$400 in cash each shift by changing the values of purchases. The owner also provided YPD detectives with video showing Mr. Rincker taking money out of the till at the same time changes were made in the value of previously purchased items.

On September 2, 2016, Mr. Rincker was arrested at Westside Pizza by YPD. He was interviewed by detectives and denied stealing any money. Mr. Rincker was charged in Yakima County Superior Court, cause number 16-1-01573-1, with theft 1, in violation of RCW 9A.56.030. He was released on bail and his next court date is scheduled for September 20, 2016.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegation contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
